

A black and white portrait of a man with short, slicked-back hair, looking down. He is wearing a dark, possibly black, t-shirt. The background is a light, neutral color. A thin white rectangular border is superimposed over the image, framing the man's head and shoulders. In the top right corner, there is a white rectangular box containing the text "BRAINSHOT." in a sans-serif font.

BRAINSHOT.

o X = 6

o 6th Collection. 6 Designs.

Number 6 is A Perfect Number.

It is the number of Creating an environment of peace and harmony. The symbol of completeness, beauty and high ideals.

It also symbolizes anything to do with the heart; love, inner peace, spiritual harmony, the principle of free will and recognition of good and evil.

Reversed it warns of separation or temptation. According to the Bible 6 represents the imperfection, the sin, the Evil.

Number 6 gives people the opportunity to develop a clear idea of right and wrong – and the consequences that link cause and effect. The 6 vibration represents truth, order and justice. The 6 energy will fight for their ideals and principles, and represents someone who is deeply concerned for others and are non-judgemental and tolerant of other people's differences.

The esoteric meaning of the six is that it was considered a “number of Creation”, the symbol of the divine cosmic equilibrium and symmetry of opposites expresses the unity of polarities, the choice of divergent paths. In his divine aspect six stands as a symbol of the law of analogies, expressed in geometric terms: “Down like the top, and the upper like the lower.
